### **MEETING OF SIKKIM SLSA WITH THE PRISON AUTHORITIES OF CENTRAL PRISON, RONGYEK, EAST SIKKIM AND DISTRICT PRISON, BOOMTAR, NAMCHI, SOUTH SIKKIM**

Sikkim SLSA held a meeting with the Prison Authorities of the State Central Prison, Rongyek, East Sikkim and District Prison, Boomtar, Namchi, South Sikkim, Counselors of various Rehabilitation Centres of Sikkim and Psychiatrist in the Conference Hall of the Sikkim SLSA Office at Development Area, Gangtok on 19<sup>th</sup> September 2016 (Monday). The meeting was chaired by Hon'ble Mrs. Justice Meenakshi Madan Rai, Judge, High Court of Sikkim & Executive Chairperson, Sikkim SLSA.

Her Ladyship, while explaining the object of the NALSA (Legal Services to the Victims of Drug Abuse and Eradication of Drug Menace) Scheme, 2015, elucidated that the present trend worldwide was to avoid criminalizing substance users and instead delve into the core reason for such abuse. This would be relevant for people who are arrested under the Sikkim Anti Drugs Act, 2006 and the Narcotic Drugs and Psychotropic Substances Act, 1985 in Sikkim. It was stated that most people have a wrong notion that if such persons are lodged in prisons and kept away from drugs, it would be axiomatic that the result would be detoxification and consequently, their rehabilitation. However, in reality such persons require in-depth counseling by psychiatrists and counselors on a regular basis, and constant motivation by experts, failing which it is likely that they will revert to their former state of drug addiction, once released from prisons. The present need, is therefore, identification, treatment, education, after-care, rehabilitation and social re-integration of addicts in terms of Section 3 (2) (b) of SADA, 2006.

In order to embark on counseling in the jails for the substance users, her Ladyship suggested that dispensaries which are currently functioning in the Prisons could also be temporarily utilized for treatment and counseling of such persons lodged in the prisons. It was suggested that psychiatrist/psychologist and counselors could use such space within the prison complex for treatment of chemically dependent prisoners and counsel them to enable them to not only to relinquish the habit but also to rehabilitate in society once released from the prison.

With this view in mind, the Sikkim SLSA under the directions of Hon'ble Executive Chairperson, has commenced counseling for the Under-Trial Prisoners arrested under S.A.D.A., 2006. 28 nos. of UTPs arrested under SADA, 2006, are undergoing counseling by the Counselors from the Sikkim Rehabilitation & Detoxification Society, Nimtar, East Sikkim and Psychiatrist and Psychologist from S.T.N.M. Hospital, East Sikkim. It was found that there was a good response from the UTPs undergoing this counseling.

For the District Prison, Boomtar, Namchi, South Sikkim, as informed by the Senior Superintendent of Police/Prisons, counseling will commence soon.
